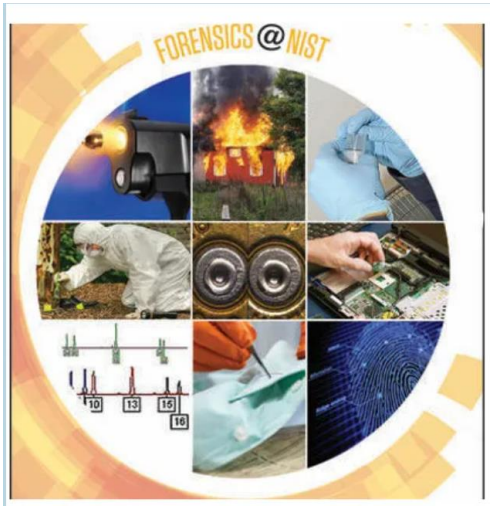
Part VII: Tracking Complex Coelution with AMDIS and NIST Search



FORENSIC@NIST 2022 Workshop
Nov 15, 2022
Edward Sisco & Arun Moorthy

Mass Spectral Interpretation – Tips and Tools for GC-EI-MS and High-Resolution MS Data

- Excellent Presentation by Gary Mallard on revolving complex coelution of eluents in EI GC-MS files
- Gary is by far in my opinion the world's expert in using AMDIS
- We page also includes files that he utilized in his talk
